Mother of Roses

1. MAE DAS ROSAS

I ask I ask
For you to guide me

I give thanks
For everything you give me

All the flowers
Of the forest, earth and sea

Mother Nature
And everything within her

And all beings
That come here to work

Mother of Flowers
Oh Mother of Creation

Mother of Roses
Oh Virgen of Conception

All praises
From those who are in this flock

1. MAE DAS ROSAS

Mamae das Flores
Oh Mamae da Criacao

Mamae das Rosas
Oh Virgem da Concecao

Todos louvores
Da quem estao aqui neste rebanho

2. CRYSTALINE LIGHT

Crystaline crystaline crystaline light
Crystal outside, crystal inside

Crystaline light inside my being
1- to illuminate all that I'm seeing
2- to illuminate my heart

Crystaline, crystaline, crystaline star
1- to illuminate who you really are
2- to illuminate yourself

There is a rose inside the full moon
1- gracing the Earth with sweet perfume
2- gracing the Earth with love

The Mother walks upon the Earth
1- sheltering us through death and birth
2- gracing the Earth with love

There is a crystaline kingdom here
Not too far and not too neatr
Enter the kingdom of heavenly light
to illuminate yourself

3. THE BEAUTY YOU SEEK

The beauty you seek outside of you
It is inside of your soul

Don’t be confused
don’t be deluded
Nothing is outside of you

Excuses do not add up to much
1- when you’re dealing with
certainty
2- when you’re dealing with eternity

Don’t be confused
Don’t be deluded
1- nothing is outside of you
2-there is much work to do

The darkness inside
God gave it to us
1- for us to uncover it as gold
2- for us to uncover our soul

Grab your sword
Enter the darkness
Just as st. Michael showed

Don’t go on pretending you are alone
1- it will only cause you more pain
2-it will only cause you more shame

3. THE BEAUTY YOU SEEK (continued...)

Seek the help
Without confusion
It is your freedom you have to gain

The secrets behind our sexuality
guide us to our deepest pain

Don’t be afraid
It is safe now
In the end only love remains

4. EPPARREI

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

Calling the force
That comes from the astral
It’s the voice of the ancestors
Of the earth and sea

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

The tigers of the forest
And the animals
Are the healing guides
Don’t let anyone attack me

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

Everyone is equal
And all are going to shine
But respecting the Master
Is to realize your place

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

4. EPPARREI

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

Chamando a forca
que vem do astral
E a voz do ancestrais
Da terra e o mar

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

Os tigres da floresta
E os animais
Sao as guias curadores
Nao deixe ninguem me atacar

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

Todos somos iguais
E todos vao brilhar
Mas respetando o mestre
E seu lugar realizar

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

I call the force of the wind
And the mermaids
Healing spirits
To make an alliance

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

The clear waters that come
From the crystal mountains
For us to cleanse ourselves
Pure water of the Mother

Chamo a forca do vento
E dos seres do mar
Espiritos curadores
Fazer alianca

Epparrei! Epparrei! Epparrei Iansa!
Epparrei! Epparrei! Iemaja Docea!

As aguas claras que vem
Das montanhas cristais
Para nos alimpar
pura agua de Mamae

I am your child
And you love me through and through

Eu quero respetar
os meus irmaos
E mais humildade
Dentro do meu coracao

We are here to transform
Our lower selves
With love and humility
So we can be well

Let me be a channel
For Divine Love all day long

Wake up my brothers and sisters
That the Queens have already arrived

Iansa! Iansa!
Iansa and the Queen of the Sea

Repent my brothers and sisters
For all the ways you have already erred

Follow clean without addictions
Is what our Queens have ordered

This path is sacred
Sent by God, it is not a game

This path of truth, of the Mother of
the Moon and of Master Irineu

Leave everything bad in the hands
Of the Queens of the Wind and the Sea

Iansa! Iansa!
Iansa and the Queen of the Sea

Se accordem meus irmaos
Que as Rainhas ja chegou

Iansa! Iansa!

E o que nossos Rainhas mandou

Este camniho e sagrado
Mandou de Deus nao e uma brincadeira

Essa linha da verdade
Da Mae da Lua e do Mestre Irineu

Deixa tudo mal nas maos
Das Rainhas do vento e o mar

Iansa! Iansa!
Iansa e a Rainha do Mar

8. IN THE MIDDLE OF THE FOREST

Come and dance with me
Praising Mother Lua
A face of the Divine Queen
Shining her beauty

In the middle of the forrest
Jurema was born
In the middle of the forrest
Mother of the windy trees

Dragonflies shine their wings
Butterflies illuminating
Messengers of the Queen e Rei Oxossi

In the middle of the forrest
Jurema was born
In the middle of the forrest
Mother of the windy trees

Com and drink my tea
To receive your healing
The essence of the Queen
E Rei Jugube

In the middle of the forrest
Jurema was born
In the middle of the forrest
Mother of the windy trees

Oceans you have crossed
Grief for all you have lost
Feet firm now on the Shore
Sou um vencedor

~I am Mamae Jurema
Crowned Queen of the Forrest
Recognize yourself in Me
Lay your sorrow at my feet
I shall blow it away
on the storms of the windy seas

9. CELEBRATING LIBERTY

(Offered to Jonathan Goldman)

It'is the undying time of love
It is the dying time for fear
Relinquish all problems to solve
In Divine Love all things comes clear

In Divine love...all things come clear

Lay your head in Mothers lap
Let your worries flow to the sea
The only thing left of worth
Is the love of you and me

It is the love... Of you and me

To seek justice is Divine
To seek the truth is supreme
Let not the machinations of time
Unravel your true destiny

Unravel your... True destiny

In the forest lives the King
He accompanies the Queen
All the beings of the doctrine
Celebrating liberty

Celebra...ting liberty

11. RAPIDINHO

I’m going to heal myself pretty quickly
With the light and force
Of the Orixas

With Mommy Oxum
and Iemanja
And the force of the Sun
Father Oxala

Play the drums
And breathe
Concentrating on the light
Of the Orixas

This liquid love
That you came her to drink
Has the rays of the Sun
Father Oxala

I ask my mother Iemanja
For the healing force
Of the waves of the sea

Now I’m going to transform myself
With the sweet waters
That Oxum gives me

11. RAPIDINHO

Rapidinho Eu vou me curar
Com a luz e a forca
dos Orixas

Com Mamae Oxum
E Iemanja

E respirar
Concentrado na luz
Dos Orixas

Este Amor liquido
Que te vem tomar
Tem os rios do Sol

A forca da cura
Das Ondas do Mar

Agora eu vou me transformar
Com as aguas doces
Que Oxum me da

12. SERPENT QUEEN

I'm the Serpent
I am the Queen
I unlock the code
Unraveling your destiny

All that is
Or that will ever be
Is in the shape of a Serpent
I am the key

I'm the Serpent
I am the Queen
I dance on the flames
Of sacred sexuality

Don't play games
be careful with this fire
Do not belittle my power
Which is higher

I'm the Serpent
I am the Queen
Teaching you to let go
Of the edges of the stream

All the wisdom
That you need to know
Is encoded in your body
So trust it and let go
